

The Four Ls

What's the best way to love wild animals?

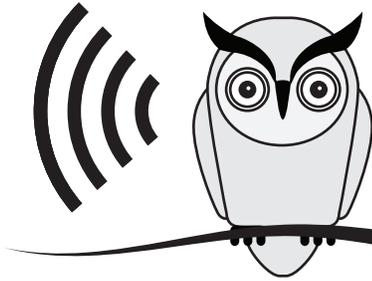

Look

at them. Try using binoculars, a camera, or just observe with your own eyes!

Listen

to the sounds of nature all around you - what can you hear?

Learn

about them. Read books, ask people. Write down your own observations.

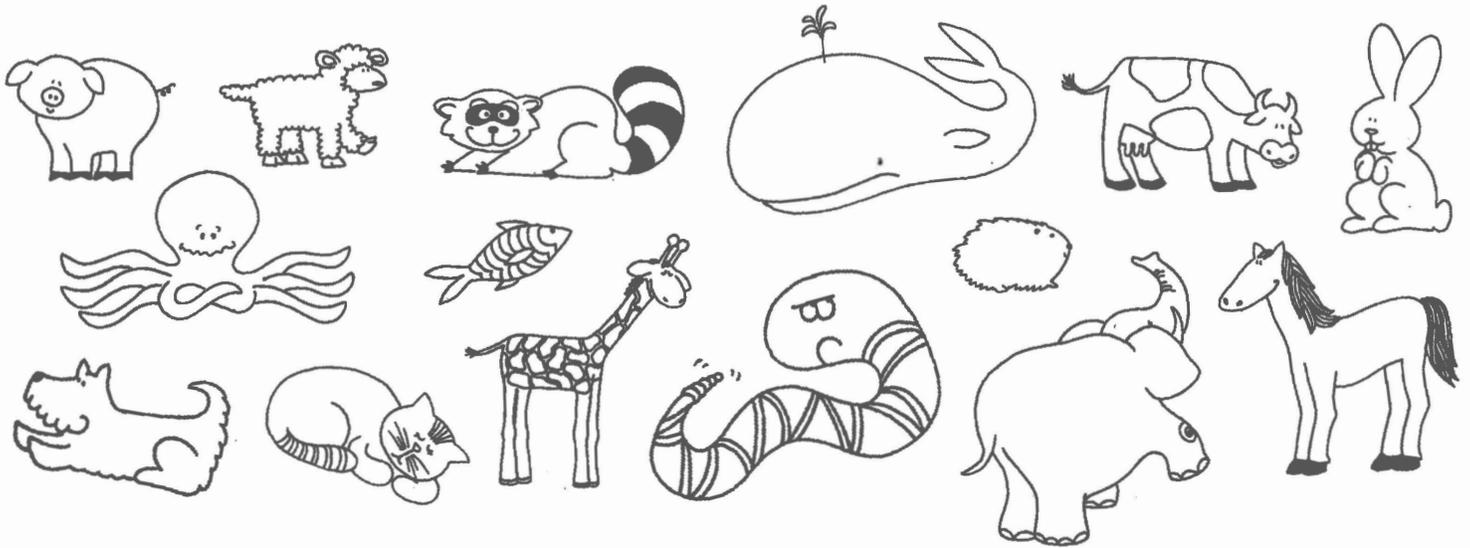

Leave

them alone. Each one is needed in its own environment, and it is safer for you and the animal to keep a distance.

Which animals make good pets?

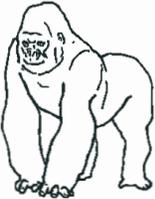

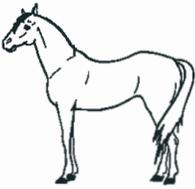

Wild animals NEVER make good pets. With a crayon, make an "X" over the animals which would NOT make good pets.

Which animals are wild?
