Third- Party Fundraiser –Guidelines

Thank you for your interest in supporting Charleston Animal Society by selecting us as a beneficiary of your fundraiser. Donations to Charleston Animal Society are extremely important and your interest in partnering with us is greatly appreciated.

Charleston Animal Society is accountable to the public and Internal Revenue Service for fundraising activities using the name of Charleston Animal Society. To this end, the following guidelines have been developed to serve as standards for those who organize special events, benefits or promotions on behalf of Charleston Animal Society. ("Sponsor" is the event organizer.)

Charleston Animal Society is extremely grateful to the many outside persons who wish to organize events to support our programs. However, only those third-party events which meet specific criteria and benefit Charleston Animal Society will be considered for approval. Each event will be reviewed on a case-by-case basis.

- ✓ Charleston Animal Society defines a "Third-Party Event" as any fundraising activity by a non-affiliated group or individual where Charleston Animal Society has no fiduciary responsibilities and minimal or no staff involvement.

Event Application and Approval

- ✓ Please review these Third-Party Fundraising Guidelines. After reviewing these guidelines, please complete and submit for approval the application and return it to: Erin Nosker, Manager of Business Partnerships, enosker@charlestonanimalsociety.org
- ✓ Approval by Charleston Animal Society must be obtained before you advertise or hold your event.
- ✓ Annual events should be registered with Charleston Animal Society each year.
- ✓ Charleston Animal Society reserves the right to refuse funds raised at unapproved events and activities.

Marketing and Promotion

- ✓ Third-party events may not be represented as events sponsored by Charleston Animal Society.
- ✓ Promotions for the event should reflect Charleston Animal Society as a beneficiary (i.e. "proceeds from XYZ Fundraising Event will benefit Charleston Animal Society").
- ✓ All promotional materials related to an event benefiting Charleston Animal Society must be reviewed and approved by the Manager of Business Partnerships prior to distribution (e.g. flyers, press releases, tickets, brochures, posters, etc.).
- ✓ The use of Charleston Animal Society name, logo, trademark or collateral materials is reserved for events conducted by Charleston Animal Society itself. Therefore, any requests for the use of Charleston Animal Society logo or trademark must be used in accordance with written brand guidelines and must undergo approval. No use of Charleston Animal Society's name, collateral materials and/or logo will be allowed without specific request and agreement.
- ✓ All references to Charleston Animal Society in publicity and promotional materials for the event or promotion should refer to "Charleston Animal Society."

Event Insurance and Liability

- ✓ Sponsor is responsible for obtaining any necessary permits and clearances required by local and state government and complying with all applicable laws. Sponsor must also obtain appropriate insurance coverage as necessary.
- ✓ All third-party events should ideally be accessible to people with disabilities. Ideally the event should take place at a venue that meets ADA regulations. Sponsor is expected to promote and make arrangements for any special accommodations and needs by participants.
- ✓ Charleston Animal Society cannot be held liable for details associated directly or indirectly with the event, including, but not limited to, expenses, purchases, insurance or liability coverage.

Event Expenses

If you must buy goods or services for the event and expenses will be incurred, please consider the following:

- ✓ Expenses incurred for conducting the event are the responsibility of the hosting volunteers and the Sponsor of the event. Charleston Animal Society will not be liable for any costs or expenses.

- ✓ Charleston Animal Society will not reimburse the Sponsor for the purchase of goods for a third-party event. No goods may be charged to Charleston Animal Society for any reason.

How can we help you with your event?

Charleston Animal Society is extremely appreciative of the volunteers who manage third-party events to benefit its programs. Charleston Animal Society is limited in the amount of assistance it can provide a third-party event. Volunteer third-party management of the event or project minimizes the cost per dollar raised for our programs and allows Charleston Animal Society staff to continue the work they are already doing to support our mission.

Charleston Animal Society can provide the following:

- ✓ Advice and suggestions on event planning, as time allows.
- ✓ Approval of the use of Charleston Animal Society name, logo and collateral materials.
- ✓ A letter of authorization to be used to validate the authenticity and intention of the event and its organizers.
- ✓ Promotion of your event, when appropriate, to Charleston Animal Society community supporters and followers through social media platforms such as Facebook and Instagram.
- ✓ Post event recognition, when appropriate, to Charleston Animal Society community supporters and followers through social media platforms such as Facebook and Instagram during the week following the date of the event or when the contribution is submitted to Charleston Animal Society.
- ✓ Acknowledgment and distribution of tax receipts for contributions made payable and submitted to Charleston Animal Society.

Charleston Animal Society is unable to provide the following:

- ✓ Assistance in soliciting donations, handling mailings, attending committee meetings, recruiting attendees or collecting monies.
- ✓ Charleston Animal Society sales tax-exemption number for making any purchases related to your event.
- ✓ Guaranteed volunteer, Board Member, or staff attendance at the event, access to donor lists or contacts.
- ✓ Responsibility of any nature or kind associated directly or indirectly with the event, including, but not limited to, expenses, purchases, insurance or liability coverage
